ABACO LODGE

ABACO ISLAND, BAHAMAS

Abaco Lodge is the only fly-fishing operation located on the famed Marls — an expansive, unpressured flats system with unrivaled numbers of bonefish.

Twenty fish days are not uncommon, with 200-square-miles of prime habitat awaiting anglers. Abaco's Marls-side headquarters also means no trailering, no fuel stops, and more time fishing.

Push back from the breakfast table and walk to the dock, where the island's most knowledgeable guides and our fleet of Maverick flats skiffs await to greet you. Back on dry land, fine dining, and attentive service ensure ultimate comfort after a full day's fishing.
